JOSE LUIS NORIEGA
Two-time NCAA All-American

YOUNGEST TEAM, TOUGHEST SCHEDULE EVER

Kevin Bradley

The University of San Diego men's tennis team will have a young look in '91—as many as half of the starting six could be freshmen.

Gone to graduation are three of last year's top four players. Chris Toomey, J.R. Edwards and Dan Mattera were the heart of last year's #12-ranked team, combining for a singles record of 77-27.

Back to lead the Toreros is junior Jose Luis Noriega, a 2-time NCAA All-American. Also returning from the '90 lineup are Kevin Bradley (Las Vegas, NV), 27-8 at #5 and Thomas Simonsen (Bergen, Norway), 14-12 at #6.

In pre-season Division I Volvo Collegiate Rankings, USD is listed at #25, in a tie with UC Irvine.

For 13th-year Coach Ed Collins, it's anybody's guess how the Toreros will fare. "I don't know what to expect," said Collins. "We graduated 5 in '89 and 4 in '90, so this team will definitely have a new look to it."

Seven freshmen are found on the Torero's roster. Although all have had respectable junior careers, none are expected to fill the shoes of the Toomey-Mattera-Edwards.

"At least not right away," adds Collins. "There's some talent and determination in this class and I predict they'll make themselves heard."

Among the recruits, the most successful junior was Fredrik Axsater (Taby, Sweden), who was the 1989 Stockholm Mastership Champion and ranked #10 in Sweden in the Boys' 16s in '89. A left-handed clay courtier, Fredrik spent the fall making adjustments in his game to improve his hardcourt play.

Three former US junior players have looked promising in Collins' eyes: J.J. Shobar (San Anselmo, CA), perennially top-ranked NorCal junior, was #100 in the USTA B18 in '89. A 2-hander on both sides, J.J. plays an attacking all-court game. Matt Foote (Mesa, Arizona) is a serve and volleyer whose best junior result was reaching the finals of the '89 Fiesta Bowl B18s. Akida Mashaka (Cerritos, CA), ranked #18 in Southern Cal B18s in '89, won the USD Tryout Tournament.

Fall results were mixed. Noriega lost in the quarterfinals of the Volvo Championships to Notre Dame's David DiLucia; at the Dupont Nat'l Clay Courts he was upset in the quarters by eventual champion, Georgia's Patricio Arnold.

Performing well at both the Rolex Regionals and the San Diego All-College Tournament were senior Thomas Simonsen and sophomore Luke FitzSimons. Thomas lost in the 3rd round at the Rolex and in the semis of the All-College. FitzSimons, who Coach Collins identified as the most improved player from last year's squad, upset two seeded players at the All-College before losing in the quarters.

Conspicuous in his absence of fall tournament play was sophomore Kevin Bradley, who broke a finger on his dominant hand in a non-tennis accident. By January Kevin is expected to be back in action.

How the team will pair up in doubles is a question at the time of this writing. One thing is certain—the Toreros will field three new teams in '91. The tentative #1 team is Bradley-Noriega. On the strength of Noriega's national rankings with different partners in '89 and '90, he and Kevin were pre-season listed at #18. "That should be a good #1 team," said Collins. A number of combinations will be tried for the #2 and #3 teams, Collins explained.

"The challenge of the '91 USD Tennis Team will not be to duplicate the success of recent years, but to simply get the most out of everyone's game," said Collins. "How we fare is not as important as how the new guys go about improving themselves," Collins said. "All I expect is that we're better at the end of the season than at the beginning."

The inexperienced Torero squad will test their skills with the nation's very best teams. The 1991 schedule will include no fewer than 12 of the top twenty-five teams.

USD WINS WCCs, MAKES NAAs

1990 was a year of overachievement for USD Tennis. Four of the top 8 had graduated in '89 when the Toreros won the WCCs and finished 14th in the nation, and with only one new player on the roster, the expectations for last year's team were less than great.

Thanks to a total team effort, in which 4 players recorded their best year, 1990 greatly surpassed the expectations.

The Toreros defended their WCC title, earned another bid to the NAAs and finished the year 12th in the nation, their highest ranking ever.

In the fall San Diego All-College Tournament sophomore Jose Luis "Tato" Noriega won his second singles title, defeating teammate Chris Toomey in the final, then pairing with Chris to win the doubles.

Noriega and seniors Dan Mattera, J.R. Edwards and Toomey represented USD at the Volvo Collegiate Tennis Championships at the U of Georgia. Tato made it to the round of 16 before losing to Stanford's Jonathan Stark.

At the SoCal Rolex Regionals, Toomey and Edwards made it to the round of 16. J.R. won the 44th San Diego Metropolitan Chps.

In November Noriega gave USD its first national champ by winning the Dupont Intercollegiate National Clay Court Championships. Tato defeated Georgia's Al Parker in the semis and Texas' Steve Bryan in the finals.

During Christmas break Dan Mattera won the Fiesta Bowl and was a quarter-finalist at the Milwaukee Classic. Back in Lima for the Holidays, Tato won his first Peruvian National Chps.

In pre-season rankings USD was listed at #17, tied with Tennessee.

After opening the season at home with a 9-0 win over UCR, the Toreros lost two heartbreakers on the road, to UCLA and Cal. In each match USD split the singles, then narrowly lost two of the three doubles.

USD swept the singles and won 2 of 3 doubles at the 19th San Diego Intercollegiate Tennis Tournament. Noriega won the 1-2s, Mattera the 3-4s and Bradley the 5-6s. In doubles Bradley-Mattera won the #2 division and Toomey-Tim Bubnack won the #3s.

Ranked 25th at the time, USD defeated NAU, Iowa and Yale to win its 4th USD Invitational Team Tournament.

At the Blue-Gray Nat'l Collegiate Classic, played in Montgomery, Alabama, USD defeated Ole Miss, lost 5-4 to Alabama and defeated Cal Berkeley, who was ranked #2 at the time.

With both teams expecting that an NCAA invitation was at stake, USD, #19, defeated UC Irvine, #14, by the score of 5-2.

USD won its second consecutive WCC title by placing 3 of 4 in the semis of both singles and doubles. Dan Mattera reached the finals where he lost to Pep's Alejo Mancisidor, who had defeated Noriega in the semis. In the doubles final Noriega and Edwards defeated Pep's Zimmerman-O'Neill (who, in the semis had stopped Bradley-Mattera's consecutive win streak at 17).

At the NAAs, held at Indian Wells, California, the Toreros won a 1st rd. thriller over #13 Harvard, 5-3, then lost 5-1 to UCLA. In the individual tournament Noriega won 3 rounds before losing in the quarters to eventual champ Steve Bryan of Texas by the scores of 2-6, 7-6, 6-4. In doubles the team of Noriega-Edwards lost in the first round to Texas' Michulka-Penman.

The Toreros final overall dual match record was 22-6.

Senior Dan Mattera led the team in overall w/1 % with a 29-7 record in singles and 22-1 in doubles. Final Volvo/ITCA rankings were: Team #12, Noriega #6, Mattera #64, Edwards #90 and Noriega-Edwards #22. Special award winners at the year-end banquet were: Noriega-Edwards, Best Doubles Team; Dan Mattera, Team Captain, Best Doubles Record, Most Inspirational and Most Improved; Noriega for Best Singles Record and Sportsmanship.

TOREROS REPEAT AS WCC CHAMPS

With a total team effort USD upset #3 ranked Pepperdine to win its second consecutive West Coast Conference Tennis Title.

Led by senior Dan Mattera, who made it to the finals of singles and the semis of doubles, the Toreros played inspired tennis to record a number of upsets.

Kevin Bradley, the Torero's #5 player, scored

one of the upsets in the 3rd rd., defeating the #7 seed, Pep's Tomer Zimmerman, 6-3, 7-6. The most significant upset was scored in the quarters by USD's Chris Toomey, beating Pep's David Wells-Roth, the nation's seventh-ranked player 3-6, 6-2, 7-6. Taking 6 match points to finish, and with the level of play very high, it was by far the best match of the tournament.

In the finals, Mattera lost to Pepperdine's Alejo Mancisidor, who, in the semis, had upset USD's Jose Luis Noriega, the #1 seed and defending champion.

In doubles, all three USD teams made it to the semis. Toomey and Bob Mehran, USD's #3 team, got there by defeating Wells-Roth-Nauman in the quarters. Bradley-Mattera defeated Pep's Joffe-Mancisidor before losing to Pep's #1 team of O'Neill-Zimmerman 4-6, 6-4, 6-3. For the USD duo it was their first loss of the season.

USD's top seeded team of Noriega-J.R. Edwards lived up to their seeding by defeating O'Neill-Zimmerman 6-3, 6-4 in the final.

Final team standings were: USD 90, Pepperdine 81, Loyola Marymount and St. Mary's 31, Portland 29, Santa Clara 19, San Francisco 14, Gonzaga 0.

COLLINS HONORED FOR COMMUNITY SERVICE

Coach Ed Collins, a long-time contributor to San Diego junior tennis, received the USTA/ITCA National Community Service Award for 1990.

Collins, who also won a regional Volvo Community Service Award in 1988, is a 15-year member of the San Diego Tennis Patrons Association Board of Directors. In that capacity he serves on the Junior Ranking and Junior Development committees and edits the San Diego Tennis Yearbook. In addition to numerous clinics and camps for junior players, he directs the Patron's Under 12 Jr. Excellence Program.

Along with the award, Collins received \$1000 from Volvo Tennis to donate to the tennis charity of his choice. With the money Ed started the San Diego Tennis Patrons Tennis Lesson Scholarship Fund for financially deserving juniors in San Diego. "I'm hoping this fund will grow and be a source of help to promising and needy juniors for years to come," said Collins.

UNIVERSITY PROFILE

The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcala Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego — conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 3,900, graduate students bring the overall campus enrollment to 6,000.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

In January of 1987, USD opened the doors to its new University Center, a 74,500 square foot building for students, faculty and staff. The two-level Center is the largest building on campus. It is the seventh major project completed at USD during the past eight years. It's a place for people to meet for leisure and fun, a place for extracurricular activities.

Recreation, intramural and athletic activities are expanding rapidly. Among the many recreation and intramural programs offered, some of the favorites include: Mission Bay Aquatic Center activities (water skiing, surfing, sailing, crew), modern dance, aerobics, bowling, karate, backpacking, softball, floor hockey, volleyball and tennis.

USD intercollegiate sports for men include football, soccer, cross country, basketball, baseball, crew, golf and tennis. In women's intercollegiate sports, USD fields programs in volleyball, cross country, swimming, basketball, softball, crew and tennis.

A WINNING TRADITION

TENNIS AT USD

USD is proud of its men's tennis program. Twice the team won NCAA Division II titles. In 1979 the team finished second and in 1980 the program moved up to Division I.

This winning tradition was started by Andrew Rae, a native of Melbourne, Australia, who won NCAA Division II singles and doubles titles in '74 and '75. In 1978 USD's Rick Goldberg and Par Svensson won the NCAA II Doubles Championship.

From 1980 through 1982 the netters were regularly ranked among the nation's top 20 Division I teams. In '80 and '81 the Toreros won Ojai team titles. During that time the team was led by Scott Lipton (San Jose, CA, '80 NCAA Div. I All-American), Terry Ward (St. Louis, MO, '81 WCAC Singles Champ and '81 Ojai Champ) and Peter Herrmann (San Diego, '82 Ojai Champ).

The Toreros were back in the national rankings in '87, on the strength of their 24-9 record and dual match wins over Stanford and Pepperdine. Senior Jim McNamee (Seattle, WA) was WCC Singles Finalist and the team of David Stewart (Saratoga, CA) and Scott Patridge (La Jolla, CA) won the WCC Doubles Championship. Led by two-time NCAA All-American Jose Luis Noriega, USD won WCC Team Championships in '89 and '90 and earned Volvo/ITCA National Rankings of #14 in '89 and #12 in '90.

USD annually competes at the nation's highest level of intercollegiate play. The '91 schedule includes a number of the nation's top ranked teams and several prestigious tournaments. In addition to the 16-team San Diego Intercollegiates and the Pacific Coast Doubles Chps., the Toreros will participate in the Blue-Gray National Collegiate Classic and the West Coast Conference Chps. (WCC), of which USD is a member.

Fall semester tennis schedule is almost as active as the Spring. USD annually hosts the San Diego All-College Tournament. They participate in the San Diego Metropolitan Tournament, The Volvo Tennis Collegiate Chps., at U of Georgia, and the Rolex SoCal Chps. at UC Irvine.

In addition to intercollegiate tennis, USD offers advanced recreation tennis classes and year 'round intramural tennis events.

The Toreros practice and play at USD's West Courts, an 8-court facility located in a park-like setting on the west end of campus. The setting, courts and the cool ocean breeze create a perfect tennis environment.
